MG

OVERSIGHT
MODULE

Cross-Platform Mobile App

Experience Enhanced Oversight Anywhere, Anytime:

Our User-Friendly Mobile App Works on Both IOS and Android Devices for Seamless Management

Empowering Office Staff

✓ Monitoring Statistics with Oversight Module's Dashboard via Web Browser

Office staff can conveniently monitor statistics using the Oversight Module's Dashboard through a web browser interface.
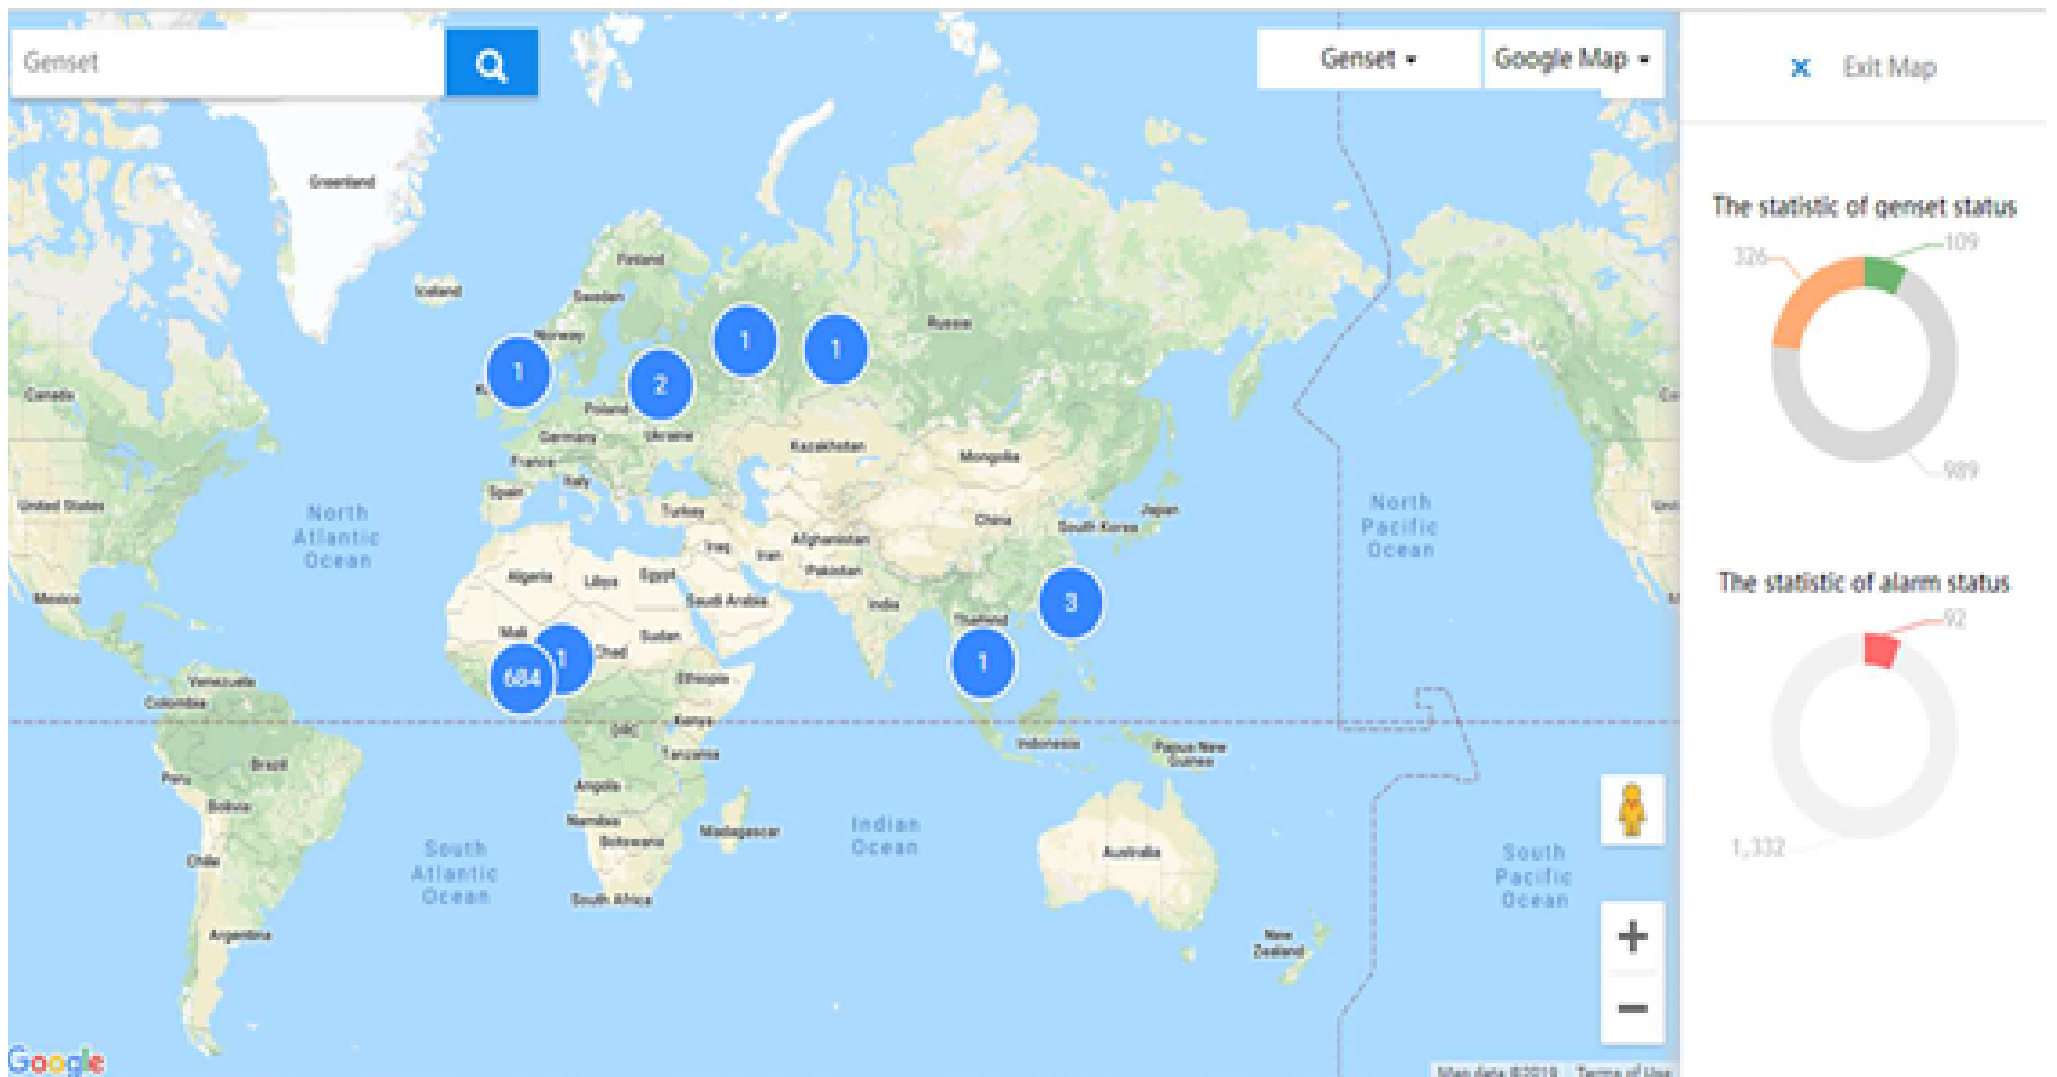

Streamlined Monitoring Across Locations

✓ Easy Oversight of All Generators by Staff

Staff can effortlessly monitor all generators situated across various locations for streamlined oversight.

Effortless Genset Control

Manual Override & Emergency Management

Easy management of generator sets (Gensets), allowing manual intervention or emergency control when necessary.
